

Your Name: Thomas Buckley

Freshman's Name: Jacob Brock

What is your freshman interested in?

- Jacob is very interested in math and engineering

What are the seven shops they are exploring?

- Electronics, engineering, multimedia, painting and design, drafting, cosmetology, information technology

Leadership:

- He showed leadership during the robotics day by dictating many of the strategies that his group decided to pursue.

What activity did your freshman enjoy the most?

- He enjoyed building the four-way flasher best.

Difficulties?

- He did not enjoy programming the robot.

Recommendation

- I recommend him for this shop. Jacob learns very quickly and is very skilled at comprehending electronics material. He is extremely talented when it comes to constructing circuits and breadboarding.
